

## Rowan District Leadership Awards Inventory

A collaborative project has been established, between the Rowan District Committee and the Rowan District Banquet Awards Selection Committee, to make a database of all the Awards and Recognition's that are held by all the Leaders in the Rowan District. Every Leader's participation and cooperation is requested, to help compile the recognition information, for the database. Please go through your personal records or your units records, for the recognition's you have and indicate on the following list. Please place a check by the awards you have and if possible, please provide the date, you were presented with the award. Thank you for your help in this matter. Please send completed form or additional information to: Henry Fairley IV, 713 West Council St, Salisbury, NC 28144 or e-mail to [hfairley@bellsouth.net](mailto:hfairley@bellsouth.net)
