

2014 BEAVER DAY

SATURDAY, JUNE 7, 2014

8 AM - 3 PM

CAMP JOHN J. BARNHARDT, NEW LONDON, NC

Come be a part of helping to make Camp John J. Barnhardt one of the best camps in the nation! Our annual Beaver Day event is a great opportunity for Scouting units to provide service to our council camp and accumulate additional service hours, which in turn helps youth complete service-based advancement requirements, as well as your unit, district & council toward reaching Journey To Excellence Gold Status! Lodge members can also take advantage of this service opportunity to earn the lodge service flap (shown above).

Tasks include:

- Campsite setup, including tents & cots • Cleaning & preparation of camp program areas
- General camp maintenance

Open to all registered youth and adult volunteers. There is no cost for the event, but we need participants to register so that we have a head count. For your service, lunch & a special event patch will be provided. Registration deadline is Thursday, June 5, 2014.
